TECHNICAL BACKGROUND

- **ADOBE PHOTOSHOP**

helps me edit/ color grade photos (know the basics)

- **WORD**

(more experience & know most of the basics) Use it mostly for essays & class assignments

- **ADOBE PREMIER**

allows me to edit film/ add effects (not very experienced)

- **EXCEL**

Used this for IS, Statistic, data gathering & personal habit tracking (somewhat experienced)

- **CANVA**

Made this on Canva & I use it for the same reason I use power point. (some what experienced)

- **BLENDER**

Use for fun & am trying to learn 3D modeling on it. (not very experienced)

- **POWERPOINT**

I love power point & I love to mess around with design and creative ways to make information visually appealing. Use it for class projects & personal enjoyment (experienced)
